

Delvon T. Mattingly, Ph.D.

Assistant Professor, Research Title Series

Center for Health Equity Transformation & Department of Behavioral Science
461 Healthy Kentucky Research Building, 760 Press Avenue, Lexington, KY 40536
delvonmattingly@uky.edu | +1 (859) 218-6875 | ORCID ID: 0000-0002-2039-7311

Current Position

2023-Present **Research Assistant Professor**, Center for Health Equity Transformation, Department of Behavioral Science, University of Kentucky College of Medicine

Education

2023 **Ph.D.**, Epidemiological Science, The University of Michigan School of Public Health
Dissertation title: Psychosocial drivers of racial/ethnic disparities in tobacco and cannabis use among youth and adults in the United States
Advisor: Dr. Nancy L. Fleischer

2018 **M.S.**, Epidemiology, The University of Louisville School of Public Health and Information Sciences
Thesis Title: Post-diagnosis quality of life and mortality in non-Hispanic white and Hispanic women diagnosed with invasive breast cancer
Advisor: Dr. Stephanie Boone

2016 **B.S.**, Public Health, The University of Louisville School of Public Health and Information Sciences, *summa cum laude*

Previous Positions

2018-2023 **Graduate Student Research Assistant**, Center for Social Epidemiology and Population Health, Department of Epidemiology, University of Michigan School of Public Health

2017-2018 **Graduate Research Assistant**, American Heart Association Tobacco Center for Regulatory Science (A-TRAC), National Institutes of Health and Food and Drug Administration; Department of Communication, University of Louisville

Grants/Contracts

Awarded/Active

Project Title:	The Intersectionality of Multiple Types of Discrimination and Substance Use Behaviors
Principal Investigator(s):	Delvon T. Mattingly, PhD
Role in Project:	Principal Investigator
Effort:	N/A
Institution/University:	University of Kentucky
Source of Funding:	National Institute on Drug Abuse
Duration of Project:	07/2024-06/2026
Total Award:	\$75,938.14
Decision:	Awarded

Grant Number: 1L60DA061514-01

Project Title: Socioecological Barriers and Facilitators to Lung Cancer Screening Among Black Adults Who Use Various Combustible Tobacco Products: Assessing the Equity impact of the USPSTF Lung Cancer Screening Recommendations

Principal Investigator(s): Delvon T. Mattingly, PhD
Role in Project: **Principal Investigator**
Effort: 10%
Institution/University: University of Kentucky
Source of Funding: United In True Equity (UNITE) Research Priority Area & Markey Cancer Center (MCC)

Duration of Project: 04/2024-03/2025
Total Award: \$50,000
Decision: Awarded

Inactive/Completed

Project Title: Center for the Assessment of the Public Health Impact of Tobacco Regulations - Diversity Supplement for Project 3

Principal Investigator(s): Rafael Meza, PhD, David T. Levy, PhD
Role in Project: **Trainee**
Effort: 75%
Institution/University: University of Michigan
Source of Funding: National Cancer Institute
Duration of Project: 09/2018-08/2023
Total Award: \$80,322
Grant Number: 3U54CA229974-02S1

Project Title: Understanding the Role of Police Exposures on Racial/Ethnic Disparities in Substance Use Among US Youth

Principal Investigator(s): Nancy L. Fleischer, PhD
Role in Project: **Co-Investigator**
Effort: N/A
Institution/University: Institute for Social Research, University of Michigan
Source of Funding: Jerald and Virginia Bachman Research Fellowship on Change in American Youth, 2022

Duration of Project: 06/2022-04/2023
Total Award: \$10,000
Grant Number: N/A

Submitted, Pending

Project Title: Local Flavor Policies to Enhance Equity in Tobacco – A Diversity Supplement

Principal Investigator(s): Shyanika Rose, PhD
Role in Project: **Co-Investigator**
Effort: 75%
Institution/University: University of Kentucky
Source of Funding: National Cancer Institute
Duration of Project: 07/2024-03/2026
Total Award: \$277,811

Decision: Under review

Project Title: Structural Racism and Cigarette and Cigar Use, and Related Mortality, at the Intersection of Race, Ethnicity, Gender, and Social Class

Principal Investigator(s): Nancy L. Fleischer, PhD

Role in Project: **Co-Investigator**

Effort: 20%

Institution/University: University of Kentucky

Source of Funding: National Cancer Institute

Duration of Project: 04/2025-05/2029

Total Award: Pending

Decision: Under review

In Process

Project Title: Discrimination and tobacco use disparities at the intersection of race and ethnicity: The moderating roles of traumatic stress and hypervigilance

Principal Investigator(s): Delvon T. Mattingly, PhD

Role in Project: **Principal Investigator**

Effort: 51%

Institution/University: University of Kentucky

Source of Funding: National Cancer Institute

Duration of Project: 04/2025-05/2027

Total Award: Pending

Submission: By 06/16/2024

Invited Talks

1. **UNITE Research Priority Area Research Showcase**. Racial and ethnic discrimination and co-occurring substance use disorders among US adults at the intersection of race, ethnicity, and gender, April 2024.
2. **Society for Research on Nicotine and Tobacco (SRNT) Health Equity Network Trainee Showcase (Virtual)**. Distress about social problems and tobacco and cannabis use outcomes among young adults, November 2023.
3. **Markey Cancer Center, UK Healthcare, University of Kentucky**. Social epidemiology, tobacco and cannabis regulatory science, and health equity, October 2023.
4. **Center for Health Equity Transformation, University of Kentucky College of Medicine**. Psychosocial drivers of racial/ethnic disparities in tobacco and cannabis use among youth and adults in the United States, March 2023.

5. **Center for Social Epidemiology and Population Health (CSEPH) Seminar Series, University of Michigan School of Public Health.** Change in distress about police brutality and substance use among younger people, February 2022.

Conference Proceedings/Abstracts (underlined author is student or advisee)

Oral Presentations

1. **Mattingly DT**, Booty MD, Richardson MK. Factors associated with handgun carriage among US youth, 2021-2022. Abstract to be presented at the Interdisciplinary Association for Population Health Science Annual Meeting, St. Louis, MO, September, 2024.
2. Ryu S, Patel A, Allgood KL, **Mattingly DT**, Hirschtick JL, Orellana R, Fleischer NL. Medical mistrust and COVID-19 vaccine attitudes and behavior: Findings from a population-based cohort study in Michigan. Abstract to be presented at the Society for Epidemiologic Research Annual Meeting, Austin, TX, June, 2024.
3. Rose SW, Thaxton-Wiggins A, Patel M, Liu M, Venne JVD, Kucherlapaty P, Schillo B, Ickes M, **Mattingly D**, Kaplan C, Rayens MK. National longitudinal risk of tobacco use among youth and young adults in local jurisdictions with and without flavor and comprehensive smokefree policies: Implications for health equity. Abstract presented at the Society for Research on Nicotine and Tobacco 29th Annual Meeting, Edinburgh, Scotland, March 2024.
4. **Mattingly DT** & Fleischer NL. Associations between lifetime experiences of sexual orientation discrimination and past-year patterns of tobacco use among a sample of sexual minority adults in the United States. Abstract presented at the Society for Research on Nicotine and Tobacco 27th Annual Meeting (virtual due to the COVID-19 pandemic), February 2021.
5. **Mattingly DT** & Fleischer NL. Experiences of racial/ethnic discrimination and current patterns of tobacco use: The National Epidemiologic Survey on Alcohol and Related Conditions-III (NESARC-III). Abstract presented at the American Public Health Association Annual Meeting (virtual due to the COVID-19 pandemic), October 2020.

Poster Presentations

1. **Mattingly DT**, Agbonlahor O, Richardson MK, Hart JL. Factors associated with dual and polytobacco use among US adults, 2020-2022. Abstract to be presented at the American Public Health Association Annual Meeting, Minneapolis, Minnesota, October 2024.
2. **Mattingly DT**, Agbonlahor O, Richardson MK, Fleischer NL, Booty MD, Hart JL. Perceived racism and discrimination and current and daily tobacco use outcomes among US adolescents. Abstract to be presented at the American Public Health Association Annual Meeting, Minneapolis, Minnesota, October 2024.
3. **Mattingly DT**, Agbonlahor O, Hart JL. Racial/ethnic disparities in daily anxiety and daily ends use among us adults: The National Health Interview Survey, 2020-2022. Abstract presented at the Society for Research on Nicotine and Tobacco 29th Annual Meeting, Edinburgh, Scotland, March 2024.
4. Agbonlahor O, **Mattingly DT**, Hart JL, McLeish C, Walker KL. Health care provider advice to abstain from using e-cigarettes and e-cigarette harm perceptions among U.S. youth. Abstract

presented at the Society for Research on Nicotine and Tobacco 29th Annual Meeting, Edinburgh, Scotland, March 2024.

5. Agbonlahor O, **Mattingly DT**, Hart JL, McLeish C, Walker KL. Substance use and cardiovascular disease among U.S. adults: Findings from the National Health and Nutrition Examination Survey, 2017-2018. Abstract presented at the Society for Research on Nicotine and Tobacco 29th Annual Meeting, Edinburgh, Scotland, March 2024.
6. **Mattingly DT**, Agbonlahor O, Hart JL. Sex and racial/ethnic disparities in associations between daily depression and daily cigarette use among US adults. Abstract presented for the Emerging Scholars Plus program at the American Public Health Association Digital Meeting, November 2023.
7. **Mattingly DT**, Cook S, Hirschtick JL, Patel A, Arenberg DA, Barnes GD, Levy DT, Meza R, Fleischer NL. Longitudinal associations between exclusive, dual, and polytobacco use and asthma among US youth. Abstract presented at the National Institutes of Health (NIH) Tobacco Regulatory Science Annual Meeting (virtual), October 2022.
8. **Mattingly DT**, Mezuk B, Elliott MR, Fleischer JL. Racial/ethnic discrimination and tobacco use outcomes among US adults. Abstract presented at the Society for Epidemiologic Research Annual Meeting, Chicago, IL, June 2022.
9. **Mattingly DT**, Cook S, Hirschtick JL, Fleischer JL. Longitudinal associations between multiple tobacco product use and incident asthma among US youth. Abstract presented at the Society for Research on Nicotine and Tobacco 28th Annual Meeting, Baltimore, MD, March 2022.
10. **Mattingly DT**, Patel A, Hirschtick JL, Fleischer JL. Sociodemographic differences in patterns of nicotine and cannabis vaping among US adults. Abstract presented at the National Institutes of Health (NIH) Tobacco Regulatory Science Annual Meeting (virtual due to the COVID-19 pandemic), October 2021.
11. **Mattingly DT**, Ridner SL, Walker KL, Hart JL, Vu TT. Majority-minorities in tobacco use: Turning the tables toward cessation. Abstract presented at Southern States Communication Association Annual Meeting (virtual due to the COVID-19 pandemic), April 2021.

- 2016 National Cancer Institute R25 Cancer Education Program Grant, University of Louisville, Louisville, KY
- 2016 Department of Epidemiology & Population Health Scholarship, University of Louisville, Louisville, KY
- 2016 Outstanding Undergraduate Capstone Project Award, University of Louisville, Louisville, KY
- 2015 Public Health Merit Scholarship, University of Louisville, Louisville, KY
- 2015 Public Health John Snow Scholarship, University of Louisville, Louisville, KY

Professional Activities

Scientific and Public Health Communities

- 2024-Present Editorial Board, Scientific Reports
- 2022-Present Abstract Reviewer, American Public Health Association Annual Meeting
- 2021 Abstract Reviewer, National Institutes of Health Tobacco Regulatory Science Annual Meeting (virtual due to the COVID-19 pandemic)

- 2020-Present Abstract Reviewer, Society for Research on Nicotine and Tobacco 27th Annual Meeting (virtual due to the COVID-19 pandemic)
- 2019 Abstract Reviewer, Society for Research on Nicotine and Tobacco 26th Annual Meeting
Poster Judge, 2019 MPH Poster Session, Department of Epidemiology, University of Michigan School of Public Health
- 2018 Poster Judge, 2018 MPH Poster Session, Department of Epidemiology, University of Michigan School of Public Health

University of Kentucky

- 2024 Reviewer, Center for Clinical and Translational Science Substance Use Disorder Pilot Grants Program, University of Kentucky
- 2023-Present Member, United in True Racial Equity Research Priority Area, University of Kentucky
- 2023-Present Member, Substance Use Research Priority Area, University of Kentucky
- 2023-Present Member, Markey Cancer Center Cancer Prevention and Control Program, University of Kentucky College of Medicine
- 2023-Present Member, Center for Health Equity Transformation Research Committee, University of Kentucky College of Medicine

University of Michigan

- 2020-2021 Student Ally, Diversity, Equity, and Inclusion (DEI) Committee, Department of Epidemiology, University of Michigan School of Public Health
- 2019-2020 Graduate Employee Organization Representative, Epidemiology Doctoral Student Organization, University of Michigan School of Public Health
- 2019-2020 Professional Development Chair, Public Health Students of African Descent (PHSAD), University of Michigan School of Public Health
- 2018-2019 Social Relations Committee Member on Sexperteam, University Health Service, University of Michigan School of Public Health

Memberships in Professional Societies

- 2024-Present Interdisciplinary Association for Population Health Science (IAPHS)
- 2020-Present American Public Health Association (APHA)
- 2020-Present Society for Research on Nicotine and Tobacco (SRNT)
- 2018-Present Society for Epidemiologic Research (SER)
- 2018-2019 Society for Pediatric and Perinatal Epidemiologic Research (SPER)
